RDO	
RLP	<i>[Signature]</i>
KB	<i>[Signature]</i>
SHI	
PGS	

1. The responsibility for supervision of subject functional area is assigned to the Intelligence Division.
2. The panel established will continue as a means to monitor integration between operational requirements, personal equipment and escape survival concepts.
3. The assignment in no way assumes individual training responsibilities normally handled by personnel. Please coordinate and establish cutoff of functions with personnel.
4. All actions which affect aircrew availability must be approved by Operations Division.

25X1
